

LEARNER GUIDE

WEST SCREENER

Screener: Short assessment of your current skills level

To access the website, please use the following link:

<https://www.walesessentialskills.com/>

Click on **Take a 10 minute screener**.

Please use the details below to log in.

Wales Essential Skills Toolkit gives you opportunities to improve your communication and number skills.

Screener are short tests to give you a rough guide to your current skills level.

- There are 15 questions in a screener, and a separate screener for each of our courses.
- To begin, enter your details below, then press the button to reveal the screener links.
- At the end of your screener, be sure to print your result so you can keep a record of how well you do.

If you register with a college or training provider, you can take a more detailed assessment of your skills.

Organisation:

If you've not registered with a college or training provider, choose 'None'

Centre:

First name:

Last name:

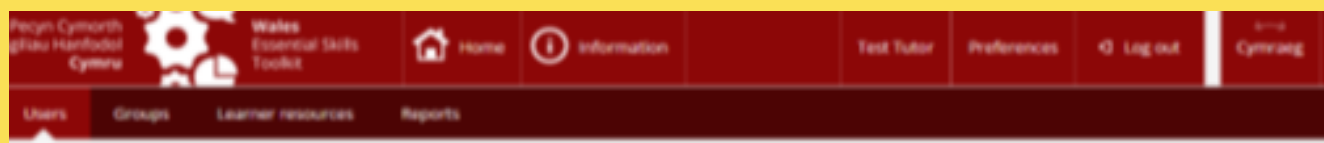

ID:

If your college or training provider has given you a personal ID, enter it here if you can. If not, please ask your tutor or supervisor what to enter - for example, your date of birth, like this: dd/mm/yyyy (eg 30/09/1990)

Go

Organisation: **The College Merthyr Tydfil**
Centre: **College**
ID: **Learner ID number**

Once signed in, you can change the language in which you are viewing the website at any point by using the language switcher button, top right.

Please complete the **Application of Number & Communication (English)** assessments.

You will require earphones for the auditory questions.
