

**FOR INFORMATION ON VOLUNTEERING
MARY HAMMOND
MARY.HAMMOND@CITIZENSADVICEMT.ORG.UK**

We are a registered charity who offer free, independent, confidential and impartial advice, and campaign on big issues affecting peoples' lives.

Our goal is to help everyone find a way forward, no matter who you are, what your situation is, and whatever problems you may face.

MAKE A DIFFERENCE

We value diversity, promote equality and challenge discrimination wherever we see it and campaign to improve the policies and practices that affect peoples' lives.

Volunteers who give advice to our clients are at the heart of our service and we could not manage without them.

Volunteer advisers receive full training in the skills needed to help people deal with their problems and learn how to find the information the client needs from our extensive database.

Volunteers are supported and supervised as they begin to give advice and will get feedback and development opportunities throughout their time with Citizens Advice.

To apply just e-mail Mary Hammond, with a CV attached.
