Greyhound Rescue Wales charity shops are the main source of fundraising.

Our dogs are given to us directly by their owners or we take them in as strays after they have been abandoned.

MAKE A DIFFERENCE

Our dogs receive all the loving care and veterinary treatment they need for as long as they are with us. All are also neutered, vaccinated, wormed and micro-chipped.

Greyhound Rescue Wales campaigns endlessly to spread the message that Greyhounds and Lurcher's make wonderful pets and companion dogs.

We continue to work with key partners to make sure that all Greyhounds in Wales receive protection in law in the future.

Greyhound Rescue Wales is an entirely voluntary organisation so all the funds we raise are put to good use with the lowest possible overheads.

How we support volunteers:

Provide excellent induction and training, make them feel welcome, establish excellent communication, ensure they have access to the resources they need, introduce variety, acknowledge contributions, help them to develop new skills, social connectedness.
