- Continual information and engagement in relation to attendance, academic progress and learner support
- Twice yearly progress reports
- Twice yearly parents/carers evening

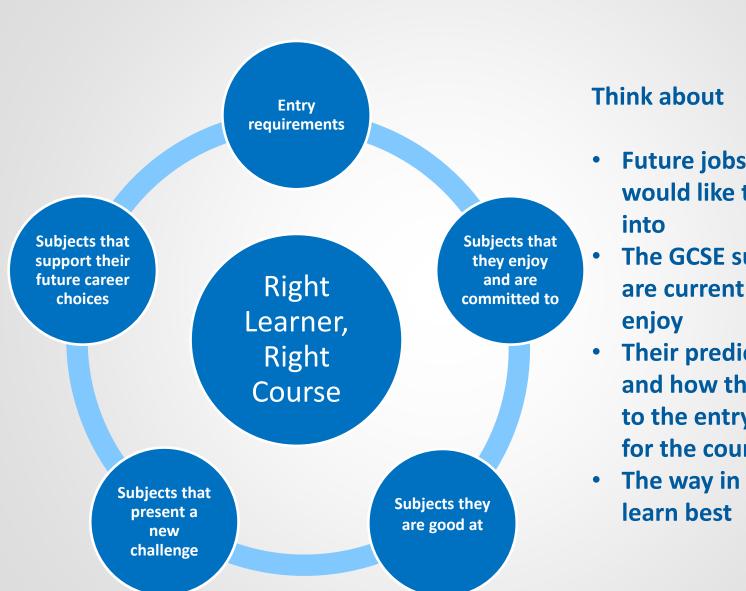

Past Cyfarthfa pupil and MAT learner Harri Latewood is studying A levels in Physics, Maths, Further Maths and Computer Science.

His mum Tracy, commented "The support Harri has received at the college has been absolutely fantastic. He has had so many opportunities to engage in additional activities to enhance his studies, including the Brilliant Club and Seren. As a parent I am constantly kept updated on his progress through the parents' evenings and regular progress reports."

#### RIGHT LEARNER, RIGHT COURSE

- Future jobs/careers they would like to progress
- The GCSE subjects they are currently studying and
- Their predicted outcomes and how these compare to the entry requirements for the course

- In-class support
- I2A Support
- Mental Health
- Learner Wellbeing and enrichment
- Safeguarding

The College Merthyr Tydfil learners worked in partnership with local community groups to host the first ever Merthyr Tydfil Pride Event.

The opportunity to be involved in the organisation of the first ever Pride festival for Merthyr Tydfil helped the college's LGBTQ+ learners to have a real input and involvement in a key community event, develop their leadership skills and support one of the college's key strategic priorities to 'provide a safe, supportive and inclusive environment for all'.

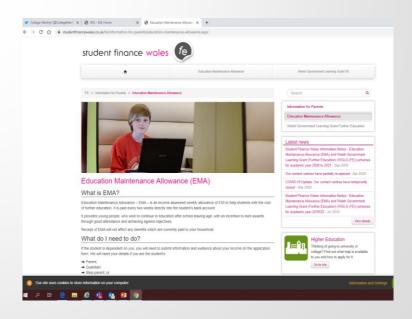

#### **FINANCIAL SUPPORT**

- Educational Maintenance Allowance (EMA)
- Financial Contingency Fund to help with the cost of kit, equipment, books, transport and trips
- Period Poverty
